America's Greatest Weekly

THE Toledo Blade

TOLEDO, OHIO.

The Best Known Newspaper in the
United States

Circulation 200,000

Popular in Every State

No Whiskey Advertising

The seventy-sixth year of its existence
finds the Toledo Blade more popular than at
any period of its remarkable career. It is
now read each week by more than a million
people. Its field is not circumscribed by
State boundaries, but involves the length and
breadth of the United States, giving it an un-
questionable right of claiming to be the
greatest national weekly newspaper in the
country.

The Weekly Blade is distinctly a family
newspaper. The one object of its publishers
has always been to make it fit for the Ameri-
can home, for the bedside, and of interest to
every member of the family. To fulfill this
purpose it is kept clean and wholesome. The
news of the world is handled in a compre-
hensive manner, and the various depart-
ments of the Blade are edited with painstaking
care. The Household page is a delight to
the women and children; current affairs are
treated editorially without prejudice; the
"trial stories" are selected with the idea of
pleasing the greatest number of fiction lov-
ers. The Book of the Week is a scrupulously
selected list of new books. No department is
omitted; the Farmstead columns are con-
ducted with the purpose of giving the pat-
rons a medium for the exchange of ideas and
information on farm topics. No department
is neglected, but every feature is taken
care of with the idea of making The Blade
worth many times the price of subscrip-
tion.

Presbyterian Church Notes.

Sunday was an ideal autumn day.
Large audiences were present morn-
ing and evening.

A venerable member of the congre-
gation, Miss Sarah L. Roberts, house-
keeper for Henry Holtgreve, passed
away October 2, 1910.

The congregation extends sympathy
to Chas. Meyer in the loss of his
father.

Good congregations have been the
rule at Woodville. Protracted serv-
ices will be held there in a few days.
Remember Sunday afternoon will
be devoted to the Sunday school con-
vention at Woodville.

The C. E.'s sent postals to Miss
Price, whom they miss very much.

Miss Mary Lukens, assisted in C. E.
work, last Sunday.

Miss Bonnie Green and Miss Scott
sang a beautiful duet at C. E. and
Miss Pansy Lyon played.

Several visitors enlivened the young
people's meeting.

Many young people were at the
night services.

Many men graced the night services
by their presence. Come again.

We were glad to have many of our
M. E. friends with us, Sunday.

Next Sunday morning will be com-
munion. At night: "True and False
Repentance."

Next C. E. leader: Miss Lyon.

The Synod of Missouri will meet in
Hannibal next Tuesday. Our church
will have two delegates: The pastor
and an elder.

The government of the local church
is vested in a body of elders elected by
the congregation. This body of elders,
with the pastor, is called the Session.

The pastors and a delegate from
each church in certain districts com-
prise the Presbytery.

Delegates from each church in the
state together with all the ministers
in the state comprise the Synod.

Delegates to presbytery and Synod
are always elected from the members
of the Session.

The pastor is bishop of the local
congregation and is assisted in his
work by the elders.

The Presbytery oversees the work of
the churches of a certain district.

The presiding officer of a Presbytery
is called a Moderator and is elected
every six months.

The Moderator of a Synod is elected
yearly.

There are ten Presbyteries in the
Synod of Missouri, and 42,000 church
members.

Last year 4633 persons were added
to the church in our state.

There are several other Presbyterian
bodies in Missouri besides our own.

First-Class Grazing Lands

In Solid Sections at
\$5 to \$20 Per Acre

No better offer in grazing lands has
ever been made in the United States
than the one now being advanced by
the American Immigration Co. of Chil-
pewa Falls, Wis. The lands offered
are in the famous Round Lake Region in
Sawyer County, Wis.

These lands, comprising more than
500,000 acres, have been thrown on the
market at remarkably low prices and
easy terms.

The Round Lake Country is less than
150 miles from the St. Paul Stock-
yards and the freight rates are low.

A small investment in a solid sec-
tion or two of these lands is the
foundation of an
